INTERESTED?

We are certainly not perfect but we do strive to live out the Christian life to the best of our ability. We encourage all to grow in their faith and reach their potential in serving God. If you can identify with that, we can truly work together to serve him.

Our vision is to be a people of God in our community. We value and respect people from all ages, nationality, race and faith and encourage all to come to a personal living relationship with our Lord Jesus Christ
